

How to Log into Blackboard

How to Log into Blackboard

Blackboard is the official learning management system (LMS) for Indian River State College. If this is your first time logging into Blackboard, please follow the steps below to get started.

1. Navigate to the IRSC Blackboard Login Page using one of the following options:
 - a. Navigate to the **IRSC Homepage**, select **Virtual Campus**, and click the **Blackboard Login link**.

- [Blackboard Login](#)

- b. Using the direct URL: <https://blackboard.irsc.edu/>

2. Enter your user name and password using your **current IRSC Rivernet credentials**. You **DO NOT** need @irsc.edu in your user name.

The image shows the Blackboard Learn login interface. At the top, the text "Blackboard learn" is displayed in a large, grey font, with a small green plus sign to the right of "learn". Below this, there are two input fields: "USERNAME:" followed by a white rectangular box, and "PASSWORD:" followed by another white rectangular box. At the bottom left, there is a teal button with the word "Login" in white. At the bottom right, there is a link that says "Forgot Your Password?" and a smaller link below it that says "Trouble Logging in? Visit Student Support".

3. You are now logged into Blackboard and will be presented with your **My Institution Homepage**. From here, you can access tools, announcements, courses, and organizations.
