

Adding SmarThinking Tutoring to Blackboard

SMARThinking offers all IRSC students free online tutoring and academic support services for most subjects 24 hours a day, seven days a week. Personalized tutoring and homework help is available for most subjects, and expert guidance can help you improve your writing—from essays to resumes. Each student is allocated free hours every semester.

To add Smarthinking to any Blackboard course:

1. Go to <https://blackboard.irsc.edu/> and login.
2. Navigate to your course, and click the **Add Menu Item Icon**. Then select **Tool Link**.

3. Enter Smarthinking as the **Name**, select Smarthinking Free Tutoring from the **Type** dropdown area, and click the **check box**, available to users. Click **Submit**.

A screenshot of the 'Add Tool Link' form in Blackboard. The form has a title 'Add Tool Link' and three main fields: 'Name' with the text 'Smarthinking', 'Type' with a dropdown menu showing 'SMARThinking Free Tutoring', and a checked checkbox labeled 'Available to Users'. At the bottom right of the form are two buttons: 'Cancel' and 'Submit'.

4. Smarthinking will appear at the bottom of your course menu. To access it, click on it.
